

# Protocol of Care Update

## 6/17/21

- No sign up needed to attend worship
- Our worship will have congregational singing
- Our worship will include a Children's Sermon and we will have Busy Bags for our youngest children
- You will have a choice of receiving communion at the altar or in your pew
- You will have a choice of sharing the peace by moving around or remaining in your pew
- Narthex tables will be set up for your conversations before or after worship
- Hymnals, prayer cards, and giving envelopes will be back in the pews
- We will continue to mask for now, so we can sing and so families feel comfortable attending with their unvaccinated children
